

Gun Violence

Silence...

Let's take a minute to talk about gun violence.

**Knowledge is power that we need today.
Kids running around that don't know how to play.**

**Non-violence is a word that we need to preach.
Teachers in the classrooms can't even teach.**

**Kids running around bring guns to school.
Children! What happened to the Golden Rule?**

**Reading, writing and arithmetic,
Not running wild with guns and sticks.**

**Children of the world just lend an ear,
And practice non-violence from year to year.**

**Put down the guns. Throw down the knives.
Use your head. Take control of your lives.**
